We Pay Homage To Coach Horner And His Wrestlers

Coach Owen Horner

We are happy to dedicate The "1942 Rex Collium" to achievement unquestionably worthy. Within the past five years wrestling in our school has climbed to tremendous popularity. Due to the splendid coaching of Mr. Horner, the exceptional enthusiasm of the boys, and the cheery encouragement of students and local fans, wrestling in Boswell High has come to be recognized as strong competition to the best in the state; this year we captured the fifth District Championship since 1937. With our tribute to this year's excellent record we send also sincerest wishes for the State Championship in 1942.

WE START OUR JOURNEY

through the halls and classrooms, the gym and campus of Boswell High School. May it be a pleasant journey for you if the road is new. But the happiest traveling is for those who will find every step rich with familiarity and lingering memories.

The Rex Collium Staff of 1942.

We Interview Mr. Speicher

MR. H. B. SPEICHER
Supervising Principal

Mr. Speicher has served as supervising principal of the Boswell public schools for the past twenty-one years. During that time he has seen the development of much that constitutes our school today. In 1921, the high school consisted of eighty pupils and four teachers. Today there are three hundred and forty pupils and sixteen teachers.

The present high school building was first occupied in January, 1924, also the year in which we were classified as a four-year high school by the Pennsylvania Department of Public Instruction. Each year brought some new department or addition to the school system or buildings. This year both the high school and the grade building have been improved. Three rooms have been added to the high school; the grade building has been completely renovated.

Along with the broadening of educational attitudes throughout the country, the curriculum of our high school has developed from one of purely academic courses to a wide variety of individual interests, including vocational and instrumental music, art, commercial studies, agriculture, home economics, and wood shop. It is significant that graduating classes contain a greater number of boys than girls.

Mr. Speicher has had thirty-eight years altogether in public schools in Somerset County. He began his work teaching in the grade schools of the county and in Somerset High School before assuming the principalships of Somerset Township High School, Garret Public Schools, Rockwood Borough Schools, and Boswell Borough Schools.

Bette Melleky President

Stanley Gromek Secretary
Bertha Bitner Treasurer

PAUL E. ADAMS Boswell

"Bud" is one of our "Mountain Boys." The best thing, he says, about B. H. S. is the sports program, and the companionship of Sue. His ambitions at present lean toward electricity.

FRANK A. BARANIAK Boswell

"Penco" is a "Super-Market man" with an ambition to be a Navy man. His favorite companion is John Shubik; his popular pastime is walking to Jenners.

BERTHA ALICE BITNER

Boswell

"Birdy" is probably our most active student but she always has time for a smile or for a saxophone solo, to brighten up assembly period. She'd like to be a nurse or a teacher; we know she'll make good either way.

FRANK BODEK Boswell

Shorty, M. D." has one strong dislike—coming to school. Now that he's finished, he'll be able to give in to an old ambition and join the Army.

STANLEY BOJACK, Boswell

"Bee" is quiet and shy but we'll not fall for his line about being a woman-hater. Even if he does want to join the Navy.

1942

ROBERT H. BOYER Boswell

"Dukes" has a formula for getting by with less work than anyone we know. But he's among the busiest when it comes to extra-curricular activities.

ADAM JOSEPH CALORONE Jenners

"Spugs" will make a good seaman if he ever gets the chance. Meanwhile he's whileing away the time with John Shubik, and disliking English assignments.

GENO CAVALLO Jenners

"Lamb" has a pet dislike and it's hitch-hiking. He probably means when he doesn't get any co-operation. We hope the end of school days will mean the end of hitch-hiking, Geno.

ROBERT N. CICCARELLI Acosta

"Hawk" is president of the "Cicciarelli and Tait Chemical Works;" also one of the "Rex Collum" Staff photographers. He has an ambition to be an aeronautical engineer, but we think he'd make a better comedian.

MARGARET BERTHA ENGLE Jenners

"Dingle" is the girl with the pretty brown eyes and black hair. What a grand stenographer she'll make! She can't understand why algebra is required; she'd much rather dance.

JOSEPH J. FOLTON Jenners

"Ikey" says he wants to be a coal miner. He likes the girls, but they come second to playing pool.

SENIORS

JAMES P. BRENNAN Jenners

"Jim" will be even more of a favorite with the girls if his dreams come true and he dons an Admiral's uniform some day. He likes B. H. S. students; especially Joe Folton, it seems.

PAULINE N. CARPENTER Boswell

Pauline and Josephine spent many afternoons and evenings together typing for the "Rex Collum." They "took over" very capably when Miss Fritzsche left us.

MARGARET ANN CHUPEK Jenners

"Blitz" likes to have a good time and so usually does. Her motto is "Treat 'em rough." She'll make a pretty picture in a few years in a nurse's white cap and dress.

JOSEPHINE M. DeLUCA Boswell

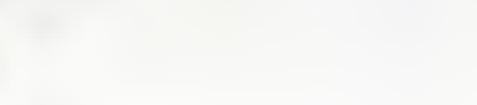

"Jo" is one of the outstandingly pretty, and outstandingly capable, members of our Senior class. It's lucky for the Rex Collum Staff that she likes to type so well.

JOHN JOSEPH FELESKY Boswell

Felesky" says his favorite pastime is just what you'd expect him to say. But it is a surprise to know that his favorite companion is Casimer Kudasick.

MARY JANE FOLTON Jenners

"Muni" is one of our commercial sharks with a stenographic career in view, with dancing on the sled. Her pet peeves are all writing compositions.

SENIORS

1942

JO ANN FRANKE . . Boswell

"Jiggers" is our candidate for the Ideal American high school girl, tall and fair, pleasant and studious. May good fortune follow her "all the days of her life."

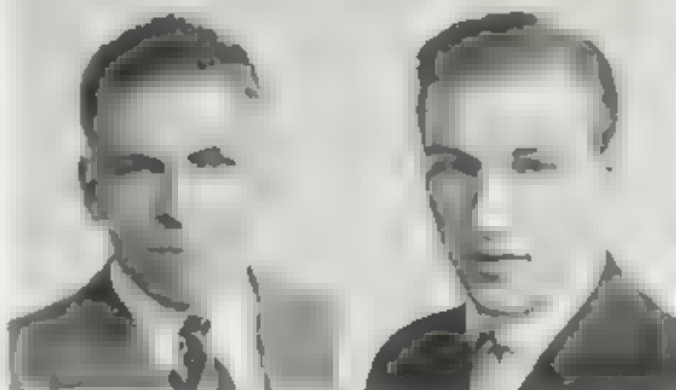

WILLIAM G. FRANKE Boswell

"Hiccock" will be missed by our basketball fans, and referees, next year. But we wish him luck with his dream of being a State Trooper.

CHARLES L. FRITZ

Ferrelton

"Linseed" wants to be an electrical engineer but the Commercial Law class has other ideas. They believe that, with his experience in Somerset, he'd make a first-rate lawyer.

ANDREW C. GAG Ralphton

Happy-go-lucky "Tex" is liked and respected as a good basketball player and a good sport by every student. Lots of good wishes for his future go with him from all of us.

DOROTHY LOUISE GINDLES-PERGER Boswell

"Dotty" is quiet and dignified, and a very capable Home-Ecker. But her ambitions lie in the direction of the business world. P. S.—See her for ten easy lessons in knitting.

BETTY LOUISE GOSS .Boswell

"Betts" is a grand companion. Her favorite, she claims, "are several." She'll make a story-book nurse, one of those with the "healing smile."

RONALD ROY GRIFFITH

Boswell

"Griff" is one of the shy and retiring members of our class, fond of reading and woodwork, ambitious to do a good job of farming someday.

STANLEY L. GROMEK

Randolph

"Stash" is one of the best liked Seniors, especially since the operetta brought out the "best that was in him." He always manages good grades tho he says thumbs down on home work. He must have a drag as Chief Advisor for the "C. and T. Chemical Works."

STEVE GUZAKO Boswell

"Guzako" will be remembered for his football playing. That was the best thing about B. H. S., he says. We wish him luck in the field of mechanics, where no book reports are ever due.

CROMER C. HARDING Jenners

Cromer makes us wonder sometimes just how early, or late, he hits the hay! We must ask David S. sometime. If Cromer's plans materialize, he'll be a radio technician someday.

LUTHER ARTHUR HOWARTH

Jenners

"Tucker" is probably the best known boy in our school. He's always ready, able, and willing, and that smile spreads a lot of sunshine. Keep smiling, Tucker, and you'll make good whatever comes.

WILLIAM HAROLD KAUFMAN Boswell

"Wolf" has always been a good-looking asset to our class. Amateur flying is his favorite occupation, his dog his companion. The Glee Club will miss him next year.

1942

CASIMER ANTHONY KUDA-SICK Boswell

"Kiss" is usually the fellow behind the camera. He's probably to blame if you're pictured in the "Rex Collum" in a most embarrassing moment. There are no doubts as to his success in the photographic world.

RALPH EUGENE LAPE Stoyestown

Ralph is one of those pathetic bus riders who had to get up in the middle of the night. It's all over now, Ralph. Unless you succeed in becoming a State Patrolman.

ALTA FERN LOHR .. Boswell

"Al" is an honor student with an ambition she'll probably reach, to be a stenographer. Life would be a bowl of cherries for her if she could skate all four seasons, and never have to get up early.

BETTY JANE MADIGAN Jenners

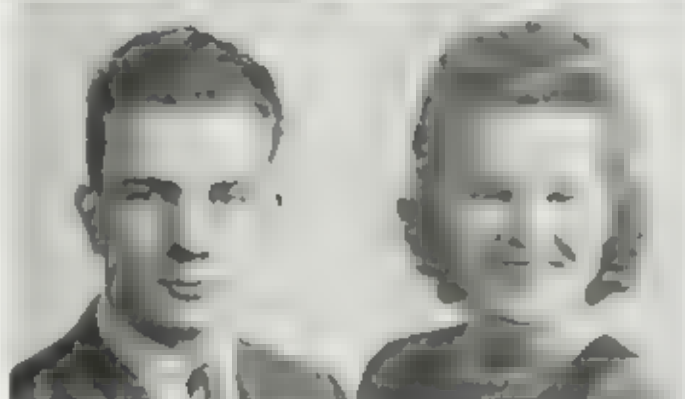

"Jeaps", a senior cheerleader, spends most of her spare time dancing. The rest of the time she seems to be enjoying herself, too, especially in Study halls. She likes to write letters, and hopes to be a private secretary.

ALICE V. MELLESKY Jenners

"Midge" is pretty and flirtatious, says her favorite pastime is making love. Beware, boys. Alice is war-minded these days, expects to drive an ambulance after graduation. We hope she'll never have to.

CHARLES NEVIN MILLER Holsopple

A gentleman-farmer would Chuck be. He wants to manage a farm but not work on it. He's popular with the girls but won't admit to any favorite companion.

SENIORS

DONALD W. LAPE Holsopple

"Don" is a farmer lad with designs along mechanic lines. At the fair he won first prize for his baby beef. "The best thing about B. H. S.," says Don, is the Activity ticket plan."

MARY S. LICHVAR .. Boswell

"S bby" is one of the most active and best known girls in our class, reliable and friendly, and very capable in everything, especially Art and Business. Both teachers and students will miss Mary next year.

JOHN MACENCZAK Jenners

"Mer" is potentially a Navy man altho his passion is driving the car. Wonder how he'll combine the two. Right now he's contented buddying with Pete Thomas, shooting pool, and ice skating.

BETTY JANE MELLEKY Jenners

B B is our Senior class president, and Treasurer of the Student Council. Everybody knows Betty, usually seen driving around in her Buick. She has dreams of being a Physical Ed teacher; Good Luck, Betty.

BETTY JANE MILLER Boswell

Bett" has lots of artistic ability but she plans to go into commercial work when she graduates. She has been wearing a class ring but nobody seems to know its owner.

JOHN ERWIN MYERS Boswell

"Bud" is thinking of taking over a certain coal mine, and he'd like to retire at an early age. He is one of Mr. Horner's toughest bone-crushers and is known as "Killer" to wrestling fans.

SENIORS

LEAH NORMA O BAKER
Boswell

"Blondie's" ambition is to be come a stenographer. Certainly she'll never annoy her boss by chatting the hours away. Although quiet and shy, Leah is popular with everyone in school and has participated in most activities. We'll always remember her as "Sunbonnet Sue."

STEVE PELESKY .. Jenners

"Palooka" has the most unique ambition in the class; he and Carmel are going to dig black diamonds. Since the operetta though, even Mr. Speicher thinks he should go into musical comedy. In the meantime, Steve just can't do a thing about the way the girls run after him.

BERNARD G. PYLE ..Boswell

"Barney" has many friends but none rate as high as his dog. Roller skating and hunting are his favorite pastime; to be an electric welder is his ambition.

ROBERT CHESTER ROMES-
BURG Boswell

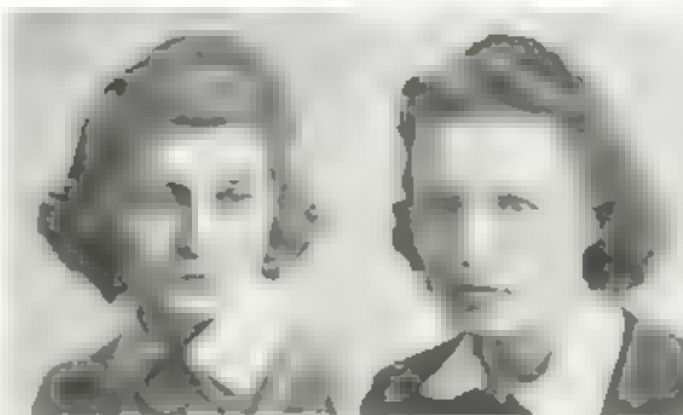

"Bob" likes to come to school late—just in the nick of time. He came to Boswell from Mc. Connellsville High and likes our Student Government plan. The radio, books, and roller skating rinks make life interesting for Bob. He'd like to become an electrical or mechanical engineer.

GENE ARLENE SHAFFER
Jennerstown

"Ginnie" can be found many evenings at the movies; they're her favorite pastime. Her ambition is to be a clerk, and her ideal of a companion is Joe. End of quote.

SUE SHAFFER .. Ralphton

This popular lass from Ralph-ton says she won't live on a farm but may we wonder just a little. Sue? Better known as "Susie Q." Miss Shaffer will probably be a secretary some day, if her dreams come true.

1942

RUTH ELAINE OGLINE
Stoyestown

"Rufus" likes everything and everybody, just so long as there's no algebra around. She'd like to be a typist, with long vacations for traveling, and she thinks farmer boys are "so nice."

CARMEL V. PERIGO...Jenners

"Carm" just can't see why there's any objection to as many absences as he would like to have. Pelesky and Perigo are always together in teachers' roll books, in classrooms, on absence slips. They may be some day on a mine payroll.

DOROTHY ELLEN ROBB
Boswell

Pretty "Dot" is best known for her cartoons in the "Eagle." She has lots of artistic ability and would like to become a dress designer. We don't imagine that you'll be a "career woman" for too long, Dorothy.

EDWARD RUSSEL SHAFFER
Boswell

"Eddie" is the proud owner, and operator, of a photographic darkroom and photo processing equipment. He is an honor student, reserved and quiet, a true friend to those who know him. In spite of his photographic interests, aviation is his real ambition.

HELEN # SHAFFER .Boswell

"Beth" is a pretty black-haired basketball and football fan. We'll take your word for it, Beth, but are you sure your favorite pastime is reading? Seriously, we hope success comes to you in the business world.

EDNA JANE SHEELER
Jenners

"Dates and dancing," that's what "Punch" is made of. She likes to jitter-bug and does it well; thinks Robert is the best of names, and hopes to be a nurse in the not-too-distant future.

1942

JAMES SHOFF Ferrellton

If "Jim's" grades in high school are any indication of what success he'll achieve as an engineer in the future, we'll all be proud to have known him. He says his favorite pastime is sleeping but we're from Mis-
sour!

FRANCES GRACE SLADEK Boswell

"Dutch" is a funny nickname for a girl who would like to sing some day at the Metropolitan Opera House. Because of your nice smile and those eyes we're with you, Frances, and hope you'll get there before the silver streaks your hair as it did in the operetta.

LUTHER JAMES SPROWLS Boswell

"Boots" says the best thing about B. H. S. is the girls. We never realized he felt that way. We'll be seein' him soon in an Army Air Corps uniform. Then the girls will really rate.

JOSEPH BURACE Boswell

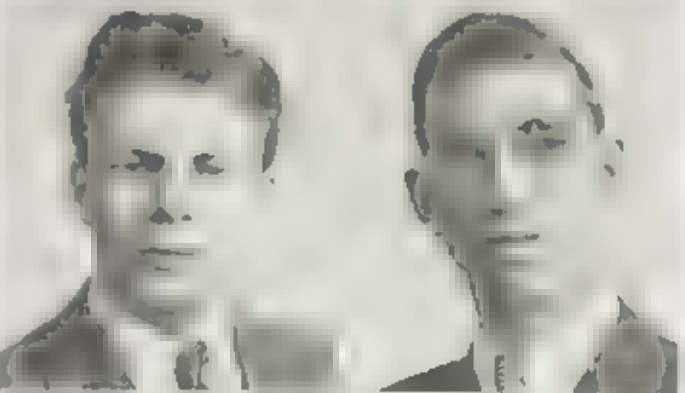

"Gabriel" and his horn have been very popular with us as material for Assembly programs. Many thanks, Gabriel.

ARTHUR L. TAIT .. Boswell

"Judge" Tait is an argumentative lad, with ideas all his own; his and "Balshazer's" Being Judge of the Student Court has lowered his shoulders three inches this year.

ASA WILSON THOMPSON Jenners

"Hank" is famous among us for his hooky playing. He and Mr. Arisman know each other very well. He just can't help his weakness for automobiles.

SENIORS

JOHN SHUBIK , Jenners

The "Iron Horse" knows all the right answers to the wrong question, and vice versa; also the secret of raising his hair on end without being frightened. For further information see Frank Baraniak.

ANNA MAUD SMITH Jenners

"Smitty" did have inclinations toward the business world but a ring on her finger may mean that her inclinations have changed.

CHESTER STAFFY , Boswell

"Jitney" has a bad reputation for teasing girls during classes. His ambition is to be an aviation mechanic, with time off for football games.

STANLEY S. SZEWCZYK Boswell

"Chief" is a very quiet and studious lad, with plans to enjoy life from the Army's point of view.

MARVIN LEE THOMAS Boswell

"Lee's" friendly "hello" can always be counted on. His ambition may bring him back to B. H. S. some day as shop teacher.

ETHEL L. THOMPSON Jenners

"Felix" is one of our outstanding art students. She'd like to come back to B. H. S. some day and take Miss O'Hara's place. Lots of luck, Ethel.

SENIORS

BETTY J. TIPTON . Friedens

Hard-working editor of "The Eagle," and assistant editor of "The Rex Collum." Betty is one of the most popular Senior girls. We wish her lots of success as a nurse.

JACK EUGENE TIPTON

Boswell

A very pretty blonde is going to miss Jack if he fulfills his plans to join the Air Corps. Happy landings, Jack.

RAY C. TRIMPEY . . Jenners

"Trimp" is very definitely the blushing type, and easy to get along with. He's already an experienced barber; has other plans for the future though.

SARA EMMA TURNEY

Ralphston

Sara is our man-hater, but she has many friends who hope she'll fulfill her desires to be a "stenog" some day.

CARL J. WALPUSKI...Jenners

Famous among the Jenners hockey-players. "Pussy" would like to be able to write a book some day—"How I Made My Millions."

EDITH EDNA WARNER

Jenners

Popular among both students and teachers, Edith has been busy this year as editor of "The Rex Collum." She'll be relieved to see the book actually in print.

EDWARD WINOVICH .Jenners

"Lefty" likes to think he's hard as nails, but we know better. As well known as he is among the students, "Winovich" will be missed next year.

DONALD WAYNE YODER

Holsapple

"Don" and his bright smile are popular, especially among the fairer sex of our class. His plans are mechanical, with hunting seasons off.

JOSEPH STANLEY ZABLOTNEY

Boswell

"Blackie" deserves all our friendship and respect for his good sportsmanship. Stay that way, Blackie, and you'll make Happy Landings.

GEORGE ZADZORA . .Jenners

"Fiddle" got the surprise of his life when he was elected president of the Student Council. When he has nightmares, he dreams he's conducting an Assembly discussion on Safety.

ALPHONA LOILSE ZAMBRZICKY

Randolph

"Phoney" hails from Randolph. She'll probably give in some day soon after graduation and send us a postcard from New York or Chicago.

JOSEPH J. ZEMBO .Friedens

"Zambi" admits that he hates to think of graduation. He's not the only one. He'll miss the sports events most of all, and we'll miss his enthusiasm.

"How Short A Year Is In Retrospection"

These Things We Remember

September

- 2 "Gee! I haven't seen you for a long time," such are the words of our chums, and school bells ring again. The words of the greenies are few, but serious.
- 12 We're just getting into the swing of school days again, now we have another vacation. Due to the infantile paralysis epidemic, we must close for two weeks.
- 29 Back to school after Thanksgiving vacation. This is getting to be a habit, this business of starting school all over again.

October

- 1 Coach Szewczyk's Bears played their first game with Windber, to the tune of 33-0 in the wrong direction. All day it rained everything but touchdowns, for us.
- 6 The only excuse for our loss to Huntingdon is the interest which the attractive majorettes gained from our football players. The score, incidentally, was 13-0.
- 10 The game with Shade Twp., one of our greatest opponents, ended with a score of 6-6. Another feature attraction of the day was the interesting assembly program, sponsored by the Student Council to explain their objectives to the student body.
- 17 The first victory of the football season came in the game with Meyersdale, 13-6. The Bears showed up to great advantage in this encounter.
- 30 The Masquerade Dance was a great success. The crowd was too large; they came through the door, and the windows as well. We'll remember Mary Lichvar in her imitation of Carmen Miranda.

November

- 1 The hunting season of this year opened with a blitzkrieg of Boswell Sports-

men, which turned out to be a good day for the majority.

- 4 Speech! Speech! That was the cry of the crowd that attended the "bon-fire" the night before the Somerset game.
- 5 Most of the students thought that the "bon-fire" would be a "jinx," but it turned out to be a great help, for Boswell pulled through with a victory of 14-13.
- 6 Due to the victory displayed at Somerset, Mr. Charles Szewczyk presented to the high school an afternoon of entertainment at the Mary Lee Theatre. The picture "Belle Starr" was presented, which at that time was outstanding.
- 12 This way please! Mr. Andrews had quite a time while taking the Senior Pictures. This day is usually the "Fashion Parade" of the year.
- 14 This was the big moment for the "Silver Streak," for it passed a pick up truck on its way to school.
- 27 The last Thursday of November was chosen as the day of Thanksgiving, for which we took off two days.

December

- 9 Ed Winovich and Leroy Ramsey stole over the Magician's Show by their comical maneuvers.
- 10 The Chorus traveled to Davidsville for the annual Festival. It was reported that everyone had a good time.
- 11 The Press Club, under the direction of Miss Shope, sponsored our first "Club Night." Mr. Szewczyk seemed to enjoy the refreshments, especially the peanut-butter crackers.
- 18 Professor Zadzora mastered his position of principal very well, as Boswell High was governed by the students.
- 24 "See you next year," was the refrain heard from the students, as we departed to start our Christmas vacation.

January

- 5 We started back to work again after eleven days of vacation. The vacation did us good because we were more concerned about our work.
- 13 Our boys showed their fine sportsman ship in the encounter with Catholic High which ended with a 24-18 victory for the latter.
- 15. "It was a mistake," at least that's how Mr. Horner explained the trip to Bedford with the wrestlers. But the pleasure trip didn't seem to affect the boys for they pulled through with a victory of 31-5, the next evening.
- 20 An enormous crowd of spectators witnessed the Somerset game here at Roswell. It was the first time in the history of Roswell that Somerset won on our floor with a score of 25-4.
- 21 Another record for the "Silver Streak!" The Jenners crowd was overjoyed when their bus passed Mark's bus (which, incidentally, was standing still).
- 30 Mr. Stephanic departed for California State Teachers College carrying with him our best wishes for success and happiness. In his place we welcomed Mr. Floriana, who will teach the remaining part of the term.

February

- 9 Without Mr. Spelcher's permission, seven commercial law students under the leadership of Charles Fritz departed for Somerset to witness a court trial. The sentence which Mr. Spelcher imposed upon them was to put on a program in assembly, which they did with much success.

- 12 The orchestra traveled to Berlin for the annual Festival. Many of our students participated in the All-County event held that evening.

March

- After winning the District 5 Championship, Coach Horner's grapplers journeyed to Penn State to compete in the State Championship event.
- 13 "Sun Bonnet Girl," the operetta presented by the Glee Club was a great success. It was worth the time and effort, which was needed for its presentation.

April

- Today we retire until next week, for that much welcomed Easter Bunny is here again.
- 10 After witnessing the Junior Play "It Happened at Midnight" we all agree that they know how to perform.

May

- 8 "Practice makes perfect". And that is just what the Senior Play "Hen pecked Husband" proved.
- 1 The long awaited event? Yes, the Senior Prom. The girls didn't have too many offers, due to the shortage of men.
- 10 The solemn seniors made their first appearance in their caps and gowns at Baccalaureate Services this evening.
- 18 Commencement ended the four years of work and happy get-togethers for the Seniors.
- 19 The last appearance of the Seniors. So long, Seniors. It was nice knowing everyone of you.

The Operetta

Friday, March 13 a very splendid operetta, "The Sunbonnet Girl," was presented by the High School Glee Club under the direction of Miss Erlamond Weyant and Miss Virginia Shope.

The operetta gave those students with fine musical ability a chance to display their talent before the public. There were many fine solos and duets rendered by the stars of the production. The plot was entertaining and the music delightful. It was colorful, humorous and gay; those participating in it were well rewarded for their time and effort.

The improvement of instrumentation in our band during this term is worthy of note. The addition of new instruments made possible the prevalence of small ensemble groups which were not possible heretofore. Daily rehearsals have contributed much to the improvement of style and technique in all our performances. Still realizing the costliness of uniforms and additional equipment, we are trusting that our efforts will prove worthy of these musical hopes in the future.

Our orchestra, now in its third year, has developed into a playing organization of approximately sixty members. Throughout the school year it has participated in many school, community and county events and has been featured at Association meetings, assembly programs, Chamber of Commerce functions as well as the Somerset County Orchestra festival which was held in Berlin last February. Although losses from graduation were noticeable in this year, the orchestra has gained some of the newer members have taken on considerable musical maturity within months past. Our repertoire of music has been improved notably. Six students from this year's orchestra were selected to represent our school in the All-county Orchestra Concert at Berlin.

The Junior Play - -

One of the high spots of the school year was the Junior Play, "It Happened at Midnight," presented April 10. The Junior players gave the record-breaking audience a thrill after thrill as the play unfolded, disclosing spies, saboteurs, and fifth columnists! The action took place in an old deserted house on a lonely road. The players were particularly adept at keeping the audience in suspense and limp with excitement as the sinister activities of the spy ring were disclosed. The spies were with in a thoroughly hilarious manner, giving the audience many chuckles to relieve the tension of excitement. The play was directed by Miss Virginia Shope.

Oct. 6	Huntingdon	Away
Oct. 10	Shade Twp.	Away
Oct. 17	Meyersdale	Home
Oct. 22	Johnstown "B"	Away
Nov. 5	Somerset	Away
Nov. 14	Conemaugh Twp.	Away

Record:—3 wins—3 losses—1 tie

After spending a week at Camp Harmony in practicing and preparing for the football season, Coach Szewczyk and his boys centered attentions on the first game. Since this encounter was eagerly awaited, Capt. Zablony and the remaining gridgers were greatly disappointed when the infantile paralysis ban was passed. Disheartened to a certain extent by this sudden and unexpected turn, the squad faithfully lived up to regulations and again continued preparations for the first game.

WINDBER

Boswell	0
Windber	33

Oct. 1—In their debut of the 1941 football season the Boswell Bears pitted their strength against one of Western Pennsylvania's football strongholds, Windber High School. Although our boys fought in earnest, they were no match for the unwavering offense of the Windber gridgers and were defeated 33-0.

HUNTINGDON

Boswell	0
Huntingdon	13

Oct. 6—For their second grid-iron clash of the season, the Gold and Blue boys journeyed to Huntingdon, where they again met a defeat of 13-0 at the hands of the Huntingdon Hi Cats

SHADE

Boswell	6
Shade	6

Oct. 10—Discouragement by the two previous defeats had no effect on the Boswell gridders as they tried their hand against one of their greatest rivals, Shade Twp., on the latter's home field. Since both teams were evenly matched in strength the game ended in a 6-6 tie with "Pat" Krupper scoring Boswell's single tally.

MEYERSDALE

Boswell	13
Meyersdale	6

Oct. 17—In the encounter with the Meyersdale eleven, the Gold and Blue gridders pushed their way to a thrilling 13-6 victory. By attaining an early seven point lead, our boys had little difficulty in chalking up their first victory of the season.

JOHNSTOWN 'B

Boswell	7
Johnstown	13

Oct. 22—In a fast and highly interesting game, the B. H. S. eleven was turned back by the Johnstown "B" team for the third and final defeat of the '41 season. Following several bad breaks, half-back Krupper scored Boswell's only touchdown and Joe Zablotny plunged the line to chalk up the extra point.

SOMERSET

Boswell	14
Somerset	13

Nov. 5—The Boswell Bears executed one of the most brilliant major upsets of the season when they vanquished the undefeated Somerset gridders by a 14-13 margin. With superb blocking full back Ramsey, after two sprints of 28 and 72 yards, accounted for both touchdowns; Joe Zablotny scored the first extra point and Krupper cracked the line for the deciding point of the game. By this unforgettable victory over their traditional rival, Boswell gained recognition as having one of the best teams in the county.

CONEMAUGH TWP.

Boswell	7
Conemaugh Twp.	6

Nov. 14—The Boswell Bears terminated the 1941 football season by snatching a 7-6 victory from the Conemaugh Twp. Indians. Thus by turning back their determined foe, the Boswell Blue and Gold conferred upon themselves the well earned title of County Champs.

Although the outlook at the commencement of the football season had only a faint spark of brilliancy, such victories as those over Somerset and Conemaugh removed all trace of disappointment. Previous to the Somerset game, few Boswell fans had little faith in a Boswell victory since the County-Seaters were thought to be invincible; but such pessimism did not shatter the morale of the B. H. S. gridders, for as it will long be remembered, our boys "brought home the bacon."

The expert supervision and influence of Coach Szewczyk and his assistant, Mr. Lichvar, are recognized as one of the main principals in displaying the stuff of which Boswell is made. Through the persistent and untiring efforts of these two men, Boswell was once again able to come out on top with flying colors.

At the close of a very successful season varsity letters were presented by Coach Szewczyk to Seniors, Capt. Zablotny, Franke, Pelesky, Guzako, Lape; Juniors, Turner, Palomba, Ramsey, Krupper, Baraniak, Radtke, Codispodi, Johnston, Robertson, Fisher; Sophomores, Koba, Phillips, Ferre, Gray. Mgr. Boyer also received a letter. Capt. Zablotny was presented a medal by Coach for being the best all-around backfield man. Metro Koba was given the medal for being the best all-around lineman.

Next year's outlook is rather good since out of the first eighteen we have only five seniors. Two sophomores, Koba and Ferre, have left school to take places in industry, while Ramsey will be over the proper age limit. Next year we have such reliable men as Krupper, Baraniak, Wasco, Radtke, Wojnarowski, Molinsky, Perigo, Loch for the backfield and Palomba, Phillips, Turner, Fisher, Johnston, Robertson, Codispodi, Gray, Novak, Pelesky, Lepley, Shields and Bence who will be out next year to make the squad.

The burden of manager will fall to Stanley Augustine with Albert Gray as assistant. We wish all lots of luck.

Our basketball outlook was not bright at the opening of the season. Joe Zablotny was the only letterman back again out of last year's leading seven. During the first week of practice Coach Lichter selected his team from last year's Jay Vees. The line-up was Gac, Ramsey, Franke, Felesky, Gromek, Turner, Koba, Ickes, Phillips, Brennan, Baraniak, Barnett, Wasco, and Brezinsky. Zablotny was elected captain. As the season got under way it became obvious that the starting five would come from players Gac, Zablotny, Franke, Turner, Ramsey, Ickes, and Koba.

The Bears made their debut in their new gold and blue uniforms at home, Dec. 12, with Hooversville as visitors. We won this tussle with a 30 to 12 score. Center Gac led the scoring with 6 field goals.

The team rolled over Rockwood and Hooversville easily but met defeat by a score of 33 to 30 at the hands of a tall, fast-stepping quintet from Rowlesburg, W. Va.

The next game was again chalked in the lost column in a game with Somerset Twp. The score, 28 to 16.

After defeating Shade Twp., the Bears made a trip to Grantsville, Md., where they scored a victory, 38 to 21. Zablotny led the point-making with 14.

A 24 to 19 defeat was next handed us by Johnstown Catholic. Taking into consideration the large enrollment at J. C., we are proud to have kept the game so close.

After defeating Meyersdale, we were visited by Somerset's Five for a game to decide the mid-season county leader. It was a hard fought battle and a regretted defeat by one point, 25-24.

The Bear's next opponent was Conemaugh Twp., handing us a 27-20 defeat in a fight for second place in the County A League.

Gallitzin was to blame for our next defeat, 30-28.

On Jan. 30 the Bears scored a victory over Berlin and gained third place in the county. Gac and Zablotny were hot for 11 points each.

After another defeat by Gallitzin we defeated Shade Twp. by a 33-28 count. A pep talk between halves brought the boys around to a sudden lead that was held.

In our last chance to get in the play-off games Somerset defeated us 28-22 on their floor.

Somerset Twp. next came to town and claimed their fifteenth consecutive victory by a 26-22 count at our expense

After walloping Meyersdale 43-21 and Rockwood 51-22 the Bears then received their second defeat at the hands of Conemaugh Twp

On Feb. 27 we concluded our home season with an impressive 43-22 victory over Berlin. Gac with 14 and Ramsey with 10 points led the scoring

The last game was at Johnstown Catholic High. a 22-21 defeat

Jan. 9. The wrestling team traveled to Clearfield to match their strength against Clearfield High. After a close match Clearfield came out the winners by a score of 26-16. This is a credit to the boys for Clearfield has not been defeated for 5 years.

Jan. 16. After an error in the schedule, which caused our wrestlers to go to Bedford on Thursday, Jan. 15 instead of Friday, the boys crushed Bedford by a score of 31-5.

Jan. 21. The boys met Ferndale High Wrestlers at Boswell on this date. The meet was an unhappy one for Ferndale went down to defeat by a score of 51-0.

Jan. 22. The Wrestlers went to Somerset and trounced the Orange and Black by a score of 31-13.

Jan. 29. The Wrestlers kept up their victory march by defeating one of their chief rivals, Conemaugh Twp. to the tune of 30-15. The bout was staged in the gym of Conemaugh Twp.

Feb. 12. The Conemaugh Twp. Indians returned our visit and again went down to defeat at the Bears hands by a 32-11 score.

Feb. 19. The Orange and Black from Somerset returned our visit and were defeated 32-0.

Feb. 20. The second team went to Ferndale to wrestle and although there were only six bouts staged, Boswell won 22-0.

Feb. 25. The Bedford Bisons visited Boswell and were turned back by a 30-10 defeat.

Feb. 28. The District 5 Tournament was held at Bedford this day and Boswell came out champs for the third straight year. The winners were: G. Polachek—103 lb. class, W. Meyers—120 lb., B. Horner—128 lb., P. Krupper—138 lb. and R. Lape—145 lb. champ.

Varsity letters in Wrestling were presented by Coach Horner in the athletic assembly to Bill Bence, George Polachek, Joe Surace, Joe Zembo, Bill Myers, Bob Horner, Adolph Zambrzycki, Pat Krupper, Ralph Lape, David Fisher, Warren Radtke, Tony Coddipodi, Bob Fritz, Harry Robertson. Numerals were presented to Ray Bence, Paul Kerch and Robert Henry. Joe Zembo, Joe Surace, John Myers, Carl Wapinski and Ralph Lape were presented with sweaters. Joe Surace and John Myers were the first boys in the history of B. H. S. to receive four stripes on their sweaters. Each stripe represents a year of service.

William Myers has been the outstanding wrestler this year. In the regular season he was undefeated and he won the District Championship. It was in the State Tournament however that he proved his real ability. He won all the matches until the final bout very easily and then was defeated by a very slight margin.

Bill's record is proof that wrestling at B. H. S. has finally arrived at the stage where our school can and does compete favorably with the best in the state.
